

QUALITY POLICY

Semefab will ensure that its Quality Management System meets the requirements of BS EN ISO 9001:2008 Quality management systems – Requirements.

Semefab will strive to make continual improvements in product quality, operational effectiveness and financial performance.

Semefab will endeavour to achieve total customer satisfaction, and to meet the needs of its interested parties.

Semefab recognises that people are the most important resource in the organisation and will invest in the development of its employees to maximise their contribution to the organisation.

Semefab will work with its suppliers and partners to fully utilise their potential to contribute to the organisation.

Semefab Quality Policy is fundamental in guiding the organisation toward improvement of its performance, and therefore shall be communicated and understood at all levels of the organisation.

Top Management shall review performance against set Quality Objectives, which are derived from this policy.
